

Walter Robbs Announces New Hires

WINSTON-SALEM, NC (April 3, 2014) - Walter Robbs Callahan & Pierce Architects, PA (Walter Robbs), the largest architectural firm in the Piedmont Triad, is pleased to announce that two people have been added to its staff. Ms. Grace Hall has joined Walter Robbs as an Intern Architect (*editors, please note: an "Intern Architect" is an architect who has a degree in architecture, but who has not yet passed all of the necessary exams to become a licensed architect. This process takes an average of 3-5 years).

Ms. Hall earned an Honors Scholar degree in Architecture from Virginia Polytechnic Institute and State University. Mr. Keith Wales has also joined the staff of Walter Robbs as an Intern Architect. Mr. Wales earned a Master of Architecture degree from NC State University, and he holds two Bachelor of Fine Arts degrees from the University of Wisconsin Oshkosh in Furniture Design and Sculpture.
