

Walter Robbs Offers Free SciWorks Camp for 50 Children as Part of Firm's 50th Anniversary Celebration

WINSTON-SALEM, NC (January 21, 2016) - Walter Robbs Callahan & Pierce Architects, PA (Walter Robbs), the largest architectural firm in the Piedmont Triad, is sponsoring a day camp at SciWorks on Wednesday, March 30 as part of the firm's 50th anniversary celebration. The "Build It!" camp is available at no charge for up to 50 student participants and is mid-week during the Winston-Salem Forsyth County School system's spring break.

Build It! is for ages 6-12 and will feature instructional fun for participants as they use Legos® to construct towers, bridges and other amazing structures. The camp is from 9 a.m. until 4 p.m. Registration for the camp is available by sending the completed SciWorks camp registration form (attached), to Christy Ferguson at cferguson@sciworks.org.

Sending 50 kids to camp is one of several community initiatives and special events Walter Robbs has planned in celebration of the firm's 50th anniversary year, which officially began in September 2015. The firm was founded in Winston-Salem in 1965.

About Walter Robbs

Founded in 1965, Walter Robbs Callahan & Pierce Architects, PA (Walter Robbs) is a forerunner in educational architecture, a leader in urban design and an innovator in interior architecture across North Carolina. Walter Robbs is a past recipient of the NC American Institute of Architects' Outstanding Firm Award and a national AIA design award; the only Piedmont Triad firm to have received these peer recognitions. The firm's downtown Winston-Salem office is LEED Silver® and was Forsyth County's first LEED-certified project. Walter Robbs employs 37 in Winston-Salem and provides comprehensive design services including architecture, interiors and planning. www.walterrobbs.com

Spring Camp 2016

Want to do something fun and out-of-the-ordinary during spring break? Join SciWorks for demonstrations, hands-on experiments, museum time, crafts, and more. Spend the day learning while doing in each of these special camps. Whether you enjoy building or chemistry, animals or constellations, we have a camp for YOU!

Camps are for ages 6-12 years.

Members: \$40/camp

Non-Members: \$45/camp

cferguson@sciworks.org

Camp times: 9:00 am - 4:00 pm

Before and After camp childcare options are available.

Members: \$40/day Non-members: \$45/day

Signs of the Season (ages 6-12)

Tuesday, March 29th

Spring is a time for growth and rejuvenation! We will explore all the signs of the season — from baby animals to spring flowers — and learn about the coming of spring as we study the vernal equinox and make seasonal celestial observations.

Build It! (ages 6-12)

Wednesday, March 30th

Do you love Legos®? Have you spent hours in the KEVA® exhibit building towers? Then this is the camp for you. We will use these building materials and more to design and build towers, bridges, and other structures.
